2 DAYS OF OUTA-SIGHT, NON-STOP ENTERTAINMENT

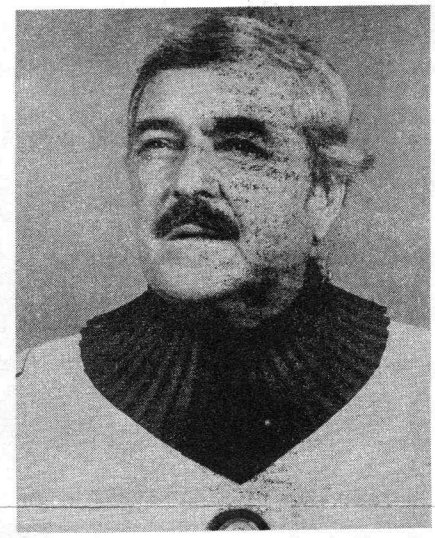
BE PART OF THE FUN! A sensational weekend of entertainment is heading to PHILADELPHIA **and** you're invited to partake and participate in the **fan**tastic festivities!

CREATION PHILADELPHIA, a two day convention for fans of COMICS, DOCTOR WHO, STAR TREK, BLAKE'S SEVEN, JAPANESE ANIMATION and all of SCIENCE FICTION **in** the MEDIA **will be held MARCH 1** and **2** at the **PHILADELPHIA CENTRE HOTEL, 1725 Kennedy Blvd. in Center City.** The hours for the convention **are** 11AM to 7 PM daily.

There will be guest stars to meet, films and videos to see, contests to win, slideshows to watch, upcoming science fiction films to preview, free gifts to grab, and surprises to enjoy!

Here's what is tentatively on tap...

In person, meet our talented GUEST STARS for the weekend:



JAMES DOOHAN

For twenty years JIMMY DOOHAN has been part of the STAR TREK legend as the beloved **SCOTTY!** Through the classic television series, the animated Treks, the first three motion pictures and now **STAR TREK FOUR,** currently in production (and set to begin filming in February), Jimmy's characterization of Scotty has been a fan favorite. It has been quite a long time since Jimmy has appeared in Philadelphia and we know you'll love hearing his anecdotes on STAR TREK as well as the up to the minute gossip of STAR TREK 4. Jimmy will speak both days, sign autographs and pose for pictures! **BE THERE!**

TERRY NATION

DOCTOR WHO fans have much to thank writer/creator TERRY NATION for. His creation **THE DALEKS** were the reason the programme became a giant hit in England: a media sensation. And he wrote many of the show's best stories and had a hand in guiding the programme in its formative years. Terry also wrote many of the episodes of **THE SAINT** and most importantly created **BLAKE'S 7,** the big British science fiction series that will soon be syndicated here in The United States. Those of you who have caught Blake episodes at conventions or wherever know that this is a show to look forward to and it is indeed an honor to welcome Terry to the convention. Another recent project for Terry was the current TV series MacGYVER. **Terry will also be with us both days of the convention.**

CHRIS CLAREMONT

Undisputedly America's most popular **COMIC BOOK** writer, Chris is the man behind the incredible success of **THE X-MEN** and **THE NEW MUTANTS.** Chris was set to appear at our last Philly show but a mix-up prevented that and so it is with great pleasure that we announce his long overdue CREATION PHILADELPHIA appearance. And the big news is that Chris will be doing another **X-series** soon, entitled **X-MEN CLASSICS** that should be another big smash. Along with discussing all the **X-news** Chris will no doubt talk about MARVEL politics and the crazy goings-on at Merry Marvel. **Chris will be with us both days!**

BILL WILLINGHAM

THE ELEMENTALS is the most successful alternative (non-Marvel or DC) comic on the market and the artist/creator is one of the hottest talents in the business. Join us in welcoming Bill to his first area **CREATION** appearance!

JON TOTLEBEN

The excellent comic illustrator whose beautiful work on **SWAMP THING** made that book one of the highlights of 1985's comic output.

THE CREATION DEALERS ROOM

Look out! Dealers are coming from all over the nation to display and sell their merchandise. You'll find tons of: **COMICS of all types:** MARVELS, DCS, the alternatives; from the oldest first editions to the ones not yet out on the newstands! COMICS, COMICS & MORE COMICS!
DOCTOR WHO FANS will freak out; all the fantastic array of goodies up for grabs: records, books, magazines,
